INSTRUCTIONS FOR NEW MAIL BIDDERS

If you have never used our mail bid system, the procedure is quite simple. On the enclosed Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is $250.00, your bid sheet should be as shown on the right.

The bid which you enter is the "maximum amount" or top price you are willing to pay for the lot. However, there is always the possibility that you may obtain the lot for less. Before mailing, check your bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sale.

Thank you,

TERMS AND CONDITIONS OF SALE

1. This is a public auction sale conducted in Beverly Hills, California by bonded Auctioneers. The bonded Auctioneer is A-Mark Auction Galleries, Inc. d.b.a. Superior Stamp & Coin, An A-Mark Company (hereinafter referred to as "Auctioneer" and at times as "Superior.")

2. Bidding in this sale constitutes acceptance by the Bidder of all the Terms and Conditions of Sale stated herein.

3. The Auctioneer and Cataloguer reserve the right to include in any auction sale its own material as well as material from affiliated or related companies, whether or not any such material(s) is included in the catalogue. Superior may have direct or indirect interests in these, or other items, and may collect a minimum price from the Consignor in addition to the selling commission or any part thereof, mentioned elsewhere in these Terms and Conditions of Sale. THIS PARAGRAPH SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOGUE.

4. By bidding in this sale, the Bidder acknowledges as follows: Grading is an art and not a science. The grade herein represents the opinion of Superior based upon its experience. It is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and will most likely continue to do so in the future. Each Bidder's own examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price. THE PURCHASER HEREBY ASSUMES ALL RISKS OF VALUATION CONCERNING ANY AND ALL PURCHASES.

5. Pursuant to a separate agreement with Superior, Consignors or their agents may be permitted to bid on their own lots in the sale and may receive a rebate commission in whole or part if successful. Under some circumstances, Superior may agree with a Consignor to not require the Consignor to pay in whole or in part for items bid upon or re-purchased by the Consignor, or when or where an advance has been made, to have the Consignor pay an agreed upon difference to Superior, or to offset against other transactions with Consignor. Where the Consignor has re-purchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Superior reserves the right to so note in the prices realized or to omit a price from the price realized. Every Consignor who registers to bid in the sale, whether to "protect" a lot, or for any other purpose, agrees to this Paragraph 5 and all other Terms and Conditions of Sale.

6. Superior may at its sole and absolute discretion, make loans or advances to Consignors and/or prospective Purchasers.

7. The Auctioneer may bid for his or its own account at any auction (even though it may not be required to pay a Buyer's Commission, or other charges that other Purchasers may be required to pay) and may have access to information concerning the lots and items contained therein that is not otherwise available to the public. Any conflict of interest or claim of competitive advantage resulting therefrom is expressly waived by all participants in the sale.

8. Due to the fungibility of the items sold, all lots may carry a reserve, a confidential price below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor or for the account of Superior.

9. The Auctioneer may open the bidding on any lot by placing a bid on behalf of the seller, a Bidder by mail, telephone or telefax, or any other participant in the sale. The Auctioneer may bid further on behalf of the Consignor up to the amount of the reserve, by accepting bids from floor agents on the part of the Consignor, or any affiliated or related company of the Auctioneer or the Consignor, by placing successive or consecutive bids for any lot, or by placing bids in response to other Bidders. The Auctioneer may accept or decline any bid, or challenge to any bid or bidding increment, as he, in his sole discretion shall determine. It is unlawful and illegal for Bidders to collude, pool, or agree with another Bidder to pay less than the fair value for a lot. Bidders in the sale acknowledge that the law provides for substantial penalties in the form of treble damages and attorneys' fees and costs for those who violate these provisions.

10. This catalogue contains the description of property of multiple Consignors, and may include consignments from Superior, its principals, and affiliated or related companies and their employees, officers, or principals. All persons seeking to bid, whether in person, by an agent or employee, telephone, telefax, or by mail, must have a catalogue and register to bid at the auction by completing a registration card or by completing the bid sheet incorporated into the catalogue. By submitting a bid, whether in person, by mail, by phone, by telefax or through an employee or agent, the Bidder acknowledges receipt of the catalogue, that the Bidder has read the Terms and Conditions of Sale, the descriptions for the lots on which they have bid, and that they agree to adhere to these Terms and Conditions of Sale. No matter where signed, the agreement shall be deemed to have been made in California. The Purchaser acknowledges that the invoice describing a lot by number incorporates the catalogue by reference.

11. A Buyer's Commission of fifteen percent (15%) on each individual lot will be added to all purchases made by all Purchasers, except Consignors, regardless of Purchaser's affiliation with any group or organization, and will be based upon the total amount of the final bid. The Buyer's Commission will be added to all invoices except for reacquisitions by Consignors in which case a reacquisition charge may apply. The reacquisition charge may be higher or lower than the Buyer's Commission and is determined by separate written agreement with Superior.

12. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. If any dispute arises during or immediately after the sale of a lot, Auctioneer shall have the right to rescind the lot offered and put the lot up for sale again. In all cases, Auctioneer's decision shall be final. For the Mail Bidder's protection, no "unlimited" or "buy" bids will be accepted. Superior shall have the right in its sole and absolute discretion to reject any such bid received.

13. Unless otherwise agreed in writing, auction sales are strictly cash in U.S. funds payable through a bank in the United States. Contact Superior for wiring instructions before sending a wire. Superior reserves the right to decline to release lots for which funds have not yet cleared. On any accounts past due, Superior reserves the right to extend credit and impose periodic charges as stated in these Terms and Conditions of Sale or on the invoice or statement. Purchaser agrees to pay reasonable attorneys' fees and costs required to collect on such past due accounts. Lots must be paid for the earlier of receipt of invoice or delivery. On any cash transaction or series of transactions exceeding $10,000, Treasury Form 8300 will be filed.

14. No credit card purchases will be accepted. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms and Conditions of Sale herein and agrees to be bound thereby on behalf of the Bidder.

15. By bidding in this sale, Purchaser personally and unconditionally guarantees payment. If a corporation is the Purchaser, the officers, directors, and principals of the corporation hereby agree to personally and unconditionally guarantee payment as part of the corporation's agreeing to bid, and the corporate representative present at the sale shall provide Superior or its agent prior to the commencement of the bidding (or at the time of registration) with a statement signed by each principal, director and officer that they each personally and unconditionally guarantee the payment due Superior.

16. Floor Bidders and Mail Bidders who have not established credit with Superior must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as Superior may, in its sole and absolute discretion, require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded upon clearance of the funds.

17. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless the Auctioneer otherwise determines. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

18. THIS IS NOT AN APPROVAL SALE. All lots sold to the highest Bidder as determined by Auctioneer are final. Floor Bidders are encouraged to carefully examine all lots which they are interested in purchasing since NO LOT PURCHASED BY A FLOOR BIDDER MAY BE RETURNED, including those lots where the Bidder is acting as an agent for another, or to Bidders by mail, telephone, or telefax, who have examined the lot(s) prior to the sale. If the description of any lot in the catalogue is incorrect, the lot is returnable if returned within five (5) calendar days of receipt, and received by Superior no later than twenty-one (21) calendar days after sale date. No return or refund of an auction lot will be considered except for reason of lack of authenticity, unless provided for elsewhere in these Terms and Condition of Sale. All disputed lots must be returned intact as received in their original, sealed and unopened container.

19. All prospective Bidders who are allowed the opportunity to examine lots prior to the sale, personally assume all responsibility for any damage they cause in so doing. Superior shall have sole discretion in determining the value of the damage caused which shall be promptly paid by the prospective Bidder.

20. a. All items offered in this catalogue are guaranteed to be genuine. This is a limited warranty that the item sold is not counterfeit, and that its date or mintmark has not been altered and that the coin has not been "repaired." Any other warranty is expressly disclaimed; Superior offers no representation that a numismatic item has or has not been cleaned; that any toning is natural or artificial; that any coin will meet the standards or grade of any independent grading service; that any item has a particular provenance or pedigree, or that a numismatic item is struck or produced in a particular style. Any statement concerning this is a matter of opinion only.

b. All claims to the contrary must be made in writing to Superior within five (5) calendar days after receipt of material.

c. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.

d. If a lot is to be returned, it must be housed in its original, sealed and unopened container.

e. Late remittance or removal of any lot from its original container constitutes just cause for revocation of all return privileges for any reason.

f. Superior shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service and lots are sold under the condition that any claims to the contrary regarding grading, authenticity or methods of manufacture must be made in writing within five (5) calendar days of receipt of material.

g. The descriptions contained herein represent the Cataloguer's good faith opinion, or the opinion of an independent grading service, as to the state of preservation and strike. When a grade from an independent grading service is utilized, Cataloguer has provided the information strictly for the convenience of the Bidder by mail, telephone or telefax. All Floor Bidders are presumed to have viewed the lots bid upon, and warrant to Superior that they have examined the lots and ASSUME ALL RISK OF VALUE. All Floor Bidders acknowledge that Superior will rely on such warranty, and that the Auctioneer will decline to accept bids from a Floor Bidder who is known to have not, in fact, examined the lot prior to the sale. No warranty, whether expressed or implied, including a warranty of merchantability is made with respect to any grade description which is only an opinion that is likely to differ, even among experts. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING OF A LOT BY AN INDEPENDENT GRADING SERVICE.

h. Grading or condition of rare coins may have a material effect on the value of the item(s) purchased; and the opinion of others (including independent grading services) may differ with the independent grading service's opinion or interpretation of Superior.

i. All sales of items viewed by Purchaser in advance of a sale, even if the sale is by mail, telephone or telefax, and all lots bid upon by Floor Bidders, and all those presenting Superior with a resale certificate, out of state resale certificate, or similar evidence in acting as a dealer ARE FINAL AND MAY NOT BE RETURNED.

j. All oral and written statements made by Superior and its employees (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Superior has authority to vary or alter these Terms and Condition of Sale. Any alteration shall be effective only if in writing and signed by an officer of Superior authorized to do so.

k. Bidders shall have no recourse against the Consignor for any reason whatsoever.

l. Notwithstanding anything to the contrary in these Terms and Condition of Sale, COINS LISTED IN THIS CATALOGUE GRADED BY PCGS, NGC OR ANACS CACHET MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER.

21. Superior reserves the right to open bidding for a lot at a reasonable price and to withdraw any lot at any time, even after the hammer has fallen, until the Purchaser has taken physical possession of the lot. No Consignor who has registered to bid at the sale (or at any other time unless otherwise provided in the consignment agreement), or any Purchaser or prospective Bidder shall have a right to claim any consequential damages if a lot is withdrawn, even after the sale.

22. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, to reduce any mail bid received, to open the bidding of a lot at any level deemed appropriate by the Auctioneer and to determine the prevailing bid, at his sole discretion.

23. SUPERIOR IS NOT RESPONSIBLE FOR ERRORS IN BIDDING. A Bidder should make certain to bid on the correct lot and that the bid is the maximum (plus the fifteen percent (15%) Buyer's Commission) that he or she is willing and able to pay. Since other Bidders (by mail, telefax and in person) are present, and since a re-offering could damage the momentum of the sale, once the hammer has fallen and the Auctioneer has announced the winning Bidder, such Bidder is unconditionally bound to pay for the lot, even if the Bidder has made a mistake.

24. Sales tax, or any other tax, if required by law to be collected, postage, handling, and insurance plus the fifteen percent (15%) Buyer's Commission, and any other taxes required by law to be charged or collected will be added to the invoice for any lot(s) that is invoiced to successful Purchasers. On any tax not paid by Purchaser which should have been paid, even if not collected by Superior by mistake, error, negligence or gross negligence, Purchaser agrees to promptly pay the same on demand together with any interest or penalty that may be assessed. Purchaser grants to Superior or its assigns the right to offset any sums due, or found to be due, under these Terms and Conditions of Sale, or from sums due Purchaser by Superior, and to make such offset from any past, subsequent or future consignment, or items acquired by Purchaser in possession or control of Superior or from any sums due to Purchaser by Superior, and further grants Superior a purchase money security interest in such sums or items to the extent applicable, and agrees to execute such documents reasonably necessary to provide Superior with such security interest. Purchaser agrees that Superior and its assigns shall be a secured party with respect to items bought by Purchaser and in the possession of Superior, to the extent of the maximum indebtedness, plus all accrued expenses, until the indebtedness is paid. Purchaser grants Superior the right to file a purchase money security interest on such items without need for debtor's signature, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Superior.

25. In the event of a successful challenge to the title to any goods purchased, Superior agrees to reimburse any Purchaser in an amount equal to the successful bid price actually paid by Purchaser at auction plus any Buyer's Commission actually paid, in full and complete satisfaction of all claims, which once tendered by Superior, relieves and releases Superior from any responsibility whatsoever to the Purchaser, even if the instrument is not cashed or is returned.

26. By bidding in the sale, (whether in person, by mail, telephone or telefax, or through an agent), Bidder expressly consents to the following Waiver and Release:

Purchaser, for himself, his heirs, agents, successors and assigns, generally and specifically waives and releases, and forever discharges Superior, and its respective affiliates, parents, shareholders, agents, subsidiaries, employees, members of their respective boards of directors, and each of them, and their respective successors and assigns from any and all claims, rights, demands and causes of action and suits, of whatever kind or nature, whether in law or equity, whether known or unknown, suspected or unsuspected, which Purchaser may claim to have with respect to and/or arising out of, or in connection with any challenge to the title to any goods purchased, the sale itself, and/or the auction, except for reimbursement in the amount equal to any bid actually paid by Purchaser, plus any Buyer's Commission actually paid by Purchaser where such reimbursement is authorized in these Terms and Conditions of Sale.

It is the intention of Purchaser that this waiver and release shall be effective as a bar to each and every claim, demand, cause of action and suit that may arise hereunder, and Purchaser hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

27. Title to any lot remains with Consignor, any secured party of the Consignor, or Consignor's assigns, as the case may be, until the lot is paid for in full by Purchaser. Superior reserves the right to require payment in full before delivering any lot to the successful Purchaser.

28. It is the Purchaser's responsibility and obligation to have the lots fully insured while in his or her possession. Purchaser assumes any and all RISK OF LOSS while the lot(s) is in Purchaser's possession.

29. If a dispute arises concerning ownership of a lot that has been bid upon, Superior reserves the right to commence a statutory interpleader proceeding at the expense of the Consignor and successful Purchaser and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs.

30. In the event a successful Purchaser fails to make payment when due, Superior reserves the right to resell the merchandise, or to have an affiliated or related company do so. Purchaser agrees to pay for the reasonable cost of such a sale, together with any incidental costs of sale. Purchaser also agrees to pay the difference between the resale price and any previous disbursements, without limitations, including reasonable attorneys' fees and costs and expenses which may include the cataloguing of an item, and any other reasonable charges, including securing opinion of counsel if necessary. Any excess money realized from the resale shall first be applied to pay Superior its standard fees and commissions for a sale and the remainder, if any will be paid to the Purchaser.

31. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will earn interest at the rate of one-and-one-half percent (1-1/2%) per month until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law. Purchaser agrees to pay all reasonable attorneys' fees, court costs and other collection costs incurred by Superior or any affiliated or related company to collect past due invoices. Superior reserves the right to assign its interest to any third party.

32. All photographs in this catalogue are of the actual items being sold may not be the actual size and are not to scale.

33. Superior reserves the right to postpone the auction sale or any session thereof for a reasonable period of time for any reason whatsoever, and no Bidder or prospective Bidder shall have any claim as a result thereof, including consequential damages.

34. Neither Superior nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms and Conditions of Sale of the auction or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

35. The sole remedy that any Purchaser in the auction shall have, whether bidding in person, by mail, by telefax, by telephone, or through an employee or agent, for any claim or controversy arising out of the auction shall be a refund of the original purchase price and premium paid, if any.

36. Upon payment of a disputed sum as determined by the arbitrators, but in no event greater than the original purchase price actually paid by Purchaser plus any commission or premium actually paid by Purchaser to Superior, and employees thereof, shall be deemed released from any and all claims of the Bidder arising out of or in connection with the sale of such property. Purchaser agrees to execute prior to delivery of any refund, any documents reasonably requested to effect the intent of this paragraph. Should the Purchaser decline to do so, Purchaser hereby grants to Superior a limited power of attorney to unconditionally effect such release.

37. Rights granted to Bidders and Purchasers under the within Terms and Conditions of Sale are personal and may not be assigned or transferred to any other person or entity, whether by operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Sale and terms of warranty on any Bidder or Purchaser. "Purchaser" shall mean the original Purchaser of the property from Superior and not any subsequent owner or other person who may have or acquire an interest therein. If Purchaser is an agent, the agency must be disclosed in writing to Superior prior to the time of sale, otherwise the benefits of the warranty shall be limited to the agent and not transferable to the undisclosed principal.

38. Should any third party attempt to utilize any warranties contained herein, they shall first give Superior thirty (30) calendar days written notice by U.S.P.S. Certified Mail, Postage Paid, Return Receipt Requested. Superior may, should it choose to, contest the third party's claim, and ask the American Arbitration Association to appoint a panel of three arbitrators skilled in the field to make such a determination at Los Angeles, California. By utilizing any warranties contained herein, the third party unequivocally and without reservation consents to binding arbitration, and its conclusive and binding determination of any alleged damages as a sole and exclusive remedy. With respect to any other pertinent matters, venue and personal and subject matter jurisdiction, said third party is bound to the provisions pertaining to Bidders and Purchasers, as otherwise provided for in these Terms and Conditions of Sale.

39. If the Purchaser fails to comply with one or more of these Terms and Conditions of Sale, then, in addition to all other remedies which it may have at law or in equity, Superior may at its sole option, either (a) cancel the sale, retaining all payments made by Purchaser as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell some or all of the property and (some or all other property, if Superior deems necessary, of the Purchaser held by Superior), in a quantity sufficient in the opinion of Superior to satisfy the indebtedness, plus all accrued charges. More than one such sale may take place at the option of Superior. Such sale may take place without notice to Purchaser. If Superior gives notice, it shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other address known to Superior. Such sale will be at Superior's standard commission rates at public or private sale, within California, or at another location outside of California to be determined by Superior. At the time of sale the defaulting party shall not bid nor be permitted to bid. The proceeds shall be applied first to the satisfaction of any damages occasioned by Purchaser's breach, and then to the payment of any other indebtedness owing to Superior, including without limitation, commissions, handling charges, the expenses of both sales, reasonable attorneys' fees and costs and collection agency fees and costs and any other costs or expenses incurred thereunder. If a lot or item is not paid for, and is sold by Superior for Purchaser's account, in accordance with the Uniform Commercial Code, Superior shall not be required to account to the Purchaser for any excess proceeds. Purchaser is also liable to Superior if the proceeds of such sale or sales is insufficient to cover the indebtedness. If other property of Purchaser is also sold, any excess of proceeds will be remitted to the Purchaser after first deducting the expenses set forth above. If Purchaser fails to remit sums due to Superior, Purchaser grants to Superior a lien with respect to such sum, with interest to accrue thereon at the legal rate, until actually paid, which lien shall apply against any property of Purchaser, including any future goods of Purchaser coming into possession of Superior. To the extent permitted by law, Purchaser hereby waives all the requirements of notice, advertisement and disposition of proceeds required by law.

40. These Terms and Conditions of Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, whether or not the auction is and Terms and Conditions of Sale are fully performed in California.

Purchaser agrees that any claim or controversy arising out of or relating to the formation, interpretation or performance of these Terms and Conditions of Sale and underlying transactions or the breach thereof, is subject to arbitration in accordance with the rules of the Professional Numismatists Guild. Arbitration shall take place in the County of Los Angeles in the State of California.

Subject to the above arbitration provision, Purchaser acknowledges and agrees that the competent courts of the State of California shall have exclusive jurisdiction over any dispute(s) arising hereunder, and Purchaser hereby agrees that any dispute arising hereunder shall be litigated exclusively in the courts of the State of California, and not elsewhere, regardless of any party's current or future residence or domicile. Purchaser further agrees that venue shall be in the Superior Court for Los Angeles County, in the State of California.

41. Lewis L. Egnew

Lewis L. Egnew has been collecting coins since 1927, and Greek silver coins since 1939. From his home base in Chinook, Montana, Egnew enlisted in the United States Navy at Seattle, Washington and served U.S. naval squadron duty during World War II. Following the close of the war he was part of the supervisory team at Boeing Aircraft company of Seattle working in the 707 division, the passenger airplane that revolutionized jet air travel.

In 1958 Egnew retired from the Research and Development division and has been fully retired in Port Townsend, Washington ever since. He is an amateur archaeologist, and in past few years had enjoyed oil painting.

Lewis Egnew sold his first Greek coin collection in 1951 and began a second collection, which is being offered here. Included are a wide range of middle-grade coins, coins that actually circulated in this historic part of the world, coins that attracted the consignor by their connection to momentous events in the Greece of Plato, Aristotle, Socrates, Alcibiades, and Lysander. Mythical and allegorical themes prevail. There are coins from the major City States with Athens at their center; others from smaller towns and island principalities around the Aegean made famous by 17th, 18th, and 19th century archaeologists and historians, as well as coins of the Italian peninsula, Asia minor, Macedonia, the north coast of Africa and just about any place the Greek civilization spread. Egnew concentrated on smaller denomination pieces, those that people would have used in their everyday lives, rather than look-alike hoard coins. Indeed, this is truly a scholar's collection. If the ancient Greeks fascinate you, if their literature, their mythology, their achievement in architecture, the arts, the sciences, and civil government are your cup of tea, then there are assuredly many coins here to whet your appetite. For don't wisdom and intellectual pursuit go hand in hand? Lewis Egnew achieved what many of us can only dream of: a well rounded sampling of coins of this heroic ancient Civilization.

The ancient historian Dio Cassius wrote that the emperor Hadrian founded a city at the site of Jerusalem, in place of the one that had been destroyed. He named this new city Aelia Capitolina, and built on the site of the old Jewish temple, a new temple dedicated to Juptier. According to Dio, the founding of Aelia Capitolina was the reason for the outbreak of the Bar Kokhba War. Eusebius, the early church historian, later wrote that Aelia Capitolina was founded by the Romans in AD 136, after the suppression of the Bar Kokhba War though hoard evidence seems to suggest that the city was already established by the outbreak of the war.

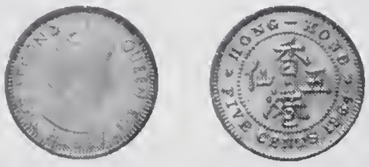
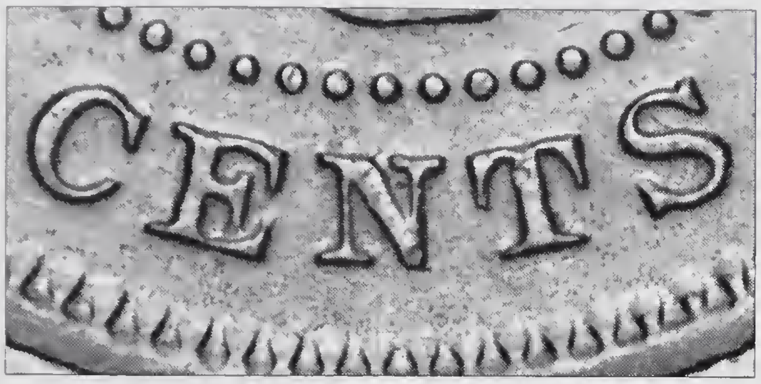
UNIQUE 5 CENT 1964 NO "H"





8716 **HONG KONG.** Elizabeth II. **5 Cent, 1964.** KM-29.1 type. Discovery coin, possibly unique and unlisted in Krause. A sharply struck specimen, cleaned lightly at one time. The normal 1964 Heaton Mint 5 Cent has a small "H" mintmark below the word CENTS on the reverse (see accompanying Lot of regular-issue 1964-H pieces for comparison). It is our belief this specimen was indeed struck at the Heaton Mint facility in 1964 but from dies in which the mintmark was blotted out, possibly the result of grease from the dies filling the mintmark cavity. A similar "error" occurred with the 1922 "Plain" United States Lincoln Cent, a coin struck at the Denver Mint but having the mintmark either indistinct or completely effaced.

Whatever the cause, we've done extensive testing on this Hong Kong piece, putting it beneath our jeweler's high-power, high-resolution microscope as well as photographing it under careful conditions. What we find is a complete lack of the "H" mintmark! Where the mintmark is supposed to be (beneath the word CENTS) there is nothing!

The coin is being offered without reserve so it is up to you, the bidding public, to set the price. This offering may go down in the record books as the world's first offering of a new mint rarity. Get in on the ground floor with your bid today.
